

25th April 2025

Dear Parents and Carers,

I am writing to give you information about some upcoming activities we have planned for the children in Y5/6. More details about each of these will be sent soon so please keep an eye on the Daily Bulletin.

In the next term, we have two trips planned for children in 5/6 plus an additional one for Y6 children only. We try to stay mindful of not asking parents for too many monetary contributions at one time and would not normally plan so many trips close together, but it has been impossible to avoid this year.

- 1) In the week beginning 19th May, we would like to take the children on a geography field trip to Pateley Bridge to complete a river study. There is no cost for the activity, but coach costs will make this £9 per child.
- 2) In June (exact dates to be confirmed soon), we will be visiting Bradford Mosque and Bradford Cathedral to look at religious art and architecture. The PTA have very kindly agreed to pay for the coach costs for this visit so we will need to ask for £6 per child to cover activities at the Mosque and the Cathedral.
- 3) On Wednesday 25th June, Y6 children will be attending Crucial Crew at Harrogate College. The activity costs £3 per child. A coach to and from this event would cost £475 so, to save money, we will be taking the children on the train! This will make the total cost per child for this visit £5.50. Please keep an eye on the Daily Bulletin for more detailed information which will be coming soon.

We hope you agree that these visits all provide important and exciting learning opportunities for the children.

Please do not hesitate to contact me at school if you have any questions or concerns.

Kind regards

Suzanne Brooke
