Autumn Term 1

Marvellous Me! And The people I know

Welcome to Pre-School!

We would like to offer a warm welcome to all the new and returning parents and children.

The first half term in the pre-school rooms is about settling into school life and establishing rules and routines. The children will find school days tiring at first as they adjust to the changes of our busy day. Our focus as staff is really getting to know your children and finding out what they know and can do.

We will be finding out what the children are interested in and using this to take our learning forward. This half term we will be talking about our families and what makes us unique as part of our Marvellous Me topic. We will be talking about how and why it is okay to be different. We will be exploring our emotions and getting the children to say how they are feeling.

We will also be holding a Welcome to Nursery meeting (please see details in the useful dates section). This will be a valuable opportunity for parents and carers to join us to find out more about what a day in nursery looks like and how you can support your child's learning further at home. Nursery is a crucial part of your child's development and educational journey; please join us if you can.

We will also be heading out on our first adventure to Valley Gardens this half term to enjoy an autumn walk together.

If you have any questions, please do not hesitate to email eyfs@wes.rklt.co.uk or speak to your nursery teachers.

As we move from autumn to more wintery days, we will be looking at the seasons and noticing the signs of the seasons.

Towards the end of term, we will be sharing the Christmas story and will enjoy lots of creative activities. Please see the useful dates section for the days we are performing our nativity show.
