

Whole-school event: **Friday 6th February 2026**

Dear Parents/ Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day this year.

**Everything the NSPCC does protects children today and prevents about tomorrow:** The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. *Half a million children a year suffer abuse or neglect in the UK. On average, a child contacts Childline every 45 seconds.*

### Dress up for Digits

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities, projects and even taking part in the National TTRS Battle! In addition, we will be taking part in Dress up for Digits.

- Pupils are asked to wear items of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or, get even more creative by dressing in a maths or numbers theme. *Please note that we are asking for no superhero costumes in EYFS.*

### Voluntary Donations

To help raise money for the NSPCC, we are asking for a **suggested voluntary donation of £1**, and we'd love everyone in the school to take part in this special event. All the money we raise at Western Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Best wishes,

Miss Jaycee Ward  
Maths Subject Lead
