RECEPTION OUR LEARNING
AUTUMN 2 WEEK 2

We have been working hard on our letter formation this week by using the Little Wandle letter formation phrases to write our names. The children have done an amazing job remembering where to start their letters and saying the rhymes out loud as they write. Alongside our writing, we have also been learning about Remembrance and exploring our creative side by making beautiful pastel poppies. The children showed wonderful care and concentration while blending the soft pastel colours to create their artwork.
