

Year 1 Senses Investigation

Dear Parents and Carers,

On Monday 12th October, Year 1 will be carrying out their very own senses investigation. As part of this activity, the children will explore their sense of taste and think about sweet, sour and savoury flavours.

The children will have the chance to taste the following items:

- mint leaves
- lemon
- banana
- orange
- cucumber
- apple

If you are happy for your child to taste these items, you do not need to do anything. If you are aware of an allergy or intolerance to any of the foods listed above, please email office@rklt.co.uk and let your child's class teacher know as soon as possible.

No child will be made to try any of the foods if they do not want to, so there is no need to contact the school about likes or dislikes.

Many thanks,

The Year 1 Team.
