CREATING SUCCESS STORIES

RED KITE LEARNING TRUST

16.11.26

Year 2 Food Technology Lesson

Dear Parents/Carers,

This half term we will be making vegetable soup as part of the food technology curriculum.

The final product will be made later this half term, but on Friday this week we are going to be trying a range of foods in class to decide on our preferences and create a recipe.

The foods we are going to try are:

- Peppers
- Carrots
- Tomatoes
- Spinach
- Cucumber
- Apple

If you have any concerns or questions about these ingredients, please let me or Mrs Smith know either by email or we are always available to speak to at the end of the day.

Kind regards,

Mrs Sykes

Year 2 Teacher
