

At Western Primary School we believe that for all our children to become fluent readers and writers, phonics must be taught through a systematic and structured phonics programme.

We use *Little Wandle Letters and Sounds Revised* to plan and provide daily, engaging phonics lessons. When teaching phonics, we teach children that the letters of the alphabet represent different sounds, that they can be used in a variety of combinations and are put together to make words. The children learn to recognise all of the different sounds and combinations that they might see when they are reading or writing. Our phonics teaching starts in Nursery and follows a very specific sequence that allows our children to build on their previous phonic knowledge and master specific phonic strategies as they move through school. As a result, all our children are able to tackle any unfamiliar words that they might discover. At Western we also model these strategies in shared reading and writing, both inside and outside of the phonics lesson and across the curriculum. We have a strong focus on the development of language skills for our children because we know that speaking and listening are crucial skills for reading and writing in all subjects.

How we teach phonics and early reading

- Our pre-school children follow the *Little Wandle Letters and Sounds Revised 'Foundations for Phonics'* guidance. The focus is on daily oral blending and language development through high quality stories and rhymes.
- In Reception and Y1, children follow the progression within the *Little Wandle Letters and Sounds Revised* programme. Phonics is taught daily and there is a review session each Friday.
- Phonics starts in Reception in week 2, to ensure the children make a strong start.

- By the end of Reception, children will have been taught up to the end of phase 4.
- By the end of Year 1, children will have been taught up to the end of phase 5.
- Children in Year 2 recap any gaps in their phonics knowledge in the Autumn term. Additional interventions will take place as required to address any knowledge gaps.
- The teaching of phonics will continue in Y3 where a need is identified.

Reading practice sessions

- Children across Reception, Year 1, Year 2 (and beyond if appropriate) apply their phonics knowledge by using a fully matched, decodable reading book in a small group reading practice session.
- These sessions are 15 minutes long and happen three times a week. There are approximately 6 children in a group.
- The sessions follow the model set out in *Little Wandle Letters and Sounds Revised*.
- The children can then access the same e-book the following week to ensure success is shared with the family.
- In Reception, these sessions start in week 4. Children who are not yet blending have access to a wordless book or e-book at home.

How do we assess phonic knowledge?

- In Reception, Year 1 and Year 2, at the end of each week, there is a review session which recaps the learning. There are also whole review weeks (pre-planned and bespoke review weeks to address gaps identified by the class teacher's ongoing formative assessment).
- Children identified in Reception, Year 1 and Year 2 as in danger of falling behind, are immediately identified and daily 'keep up' sessions are put in place – these sessions follow the *Little Wandle Letters and Sounds Revised programme*.
- In Reception and Year 1, the children are assessed at the end of every half term using the *Little Wandle Letters and Sounds Revised* assessment tracker.
- Children in Year 1 complete the statutory Phonics Screening Check in the summer term.
- Children who do not meet standard in the Phonics Screening Check in Year 1, will complete this in Year 2. Support continues to be put in place for these children.

Reading for pleasure – Early Years and KS1

Alongside the daily teaching of phonics, reading for pleasure is an important part of our Early Reading offer. We ensure children develop a love of reading

and are exposed to a range of interesting and relevant authors. We promote a love of reading in the following ways:

- Teaching of poetry, which includes performing and learning a range of poems by heart.
- Daily storytime.
- Whole class reading sessions which include a range of books that are mapped out to ensure children have a rich reading diet, vocabulary is explicitly taught, and children can learn key phrases in the book.
- Book areas within the classroom which have a careful selection of books, including books by the focus author.
- Use of *Little Wandle Letters and Sounds Revised* 'Foundations for a Love of reading' stories in nursery.
- Alongside their decodable reading book, children also take home a reading-for-pleasure book each week. In each year group, children will take home a range of books by different authors, including some which they have read in class.

If you are a parent/carer and would like more information about how to support your child with phonics at home, please follow this link to find the Reception and Year 1 overview as well as videos of the sound pronunciations, letter formation sheets and other helpful resources.
