Welcome to the Early Years ~ Turquoise Room

Welcome back to nursery everyone. It has been lovely to see the children greeting each other and playing together. We would like to extend our welcome to our new children who will be joining this term.

This half term we will be learning all about Spring and what changes we notice around us. We will talk about how the trees are changing, flowers are growing and also animals on the farm and their young. We will then move to our main focus for the term will be mini-beasts. Each week, we have a key story that will inspire our activities that we run alongside the children's interests. We will talk about what we see in our gardens or when we are out for a walk.

If you have any questions, please do not hesitate to email eyfs@wes.rklt.co.uk or speak to your nursery teachers.

Spring Term 2

At the Seaside and In the Sea

Our Learning

During the first half of this term we will be learning which sea creatures live in the sea and we will be reading some 'In the Sea' themed stories which will inform our learning in all areas of development.

During the second half of the term, we will be learning about the seaside. We have exciting plans for a seaside picnic as well as role play, creative, small world and sensory play. Each week we will have stories with familiar characters. Often when we talk about the seaside the children will talk about how they are going to get there, which can be a whole theme in itself as we talk about going on planes, trains, cars or buses. This also invites role play and lots of creating with big boxes!

As always, we will be continuing to be led by the children's interests and will update Tapestry to share your child's learning experiences with you at home.

If you have any questions, please do not hesitate to email eyfs@wes.rklt.co.uk or speak to your nursery teachers.
