

This week in reception we went on our Autumn visit to Valley Gardens. The children did a mini show to the adult helpers where they sang a song and performed as Autumn poem. The children looked for signs of Autumn and made some transient art using natural resources. Thank you to all of the adult helpers as we could not take the children on trips without you!

We learned how people celebrate Diwali, the festival of light and were very lucky that the children were gifted a light from a celebrating family to help us with our learning.

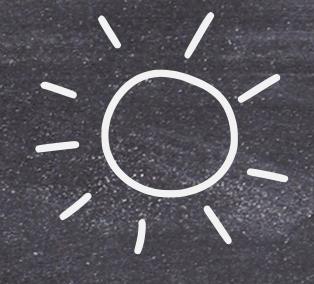

We have been using our guided drawing skills to make hedgehogs on the creative table.

We hope you all have a restful half-term and we look forward to all of our learning about celebrations, space and light and dark.
