

# YEAR 5/6~ OUR LEARNING SUMMER 1 WEEK 1

This week, we have been introduced to our new topic: Ancient Greece. We looked at the geography and climate of Greece to understand how it was 'split' into city states during Ancient Greek times. We looked at how far away Greece is from Harrogate and started to think about how united the Ancient Greeks were.

In music, our new topic is 'Songs from WWII'. Our first lesson was 'singing for victory' where we compared songs from WWI and WWII and listened to Vera Lynn.

## 1) Singing for victory

adagio - slow  
allegro - quick (literally 'cheerful')  
amoroso - loving  
animato - animated and lively  
cantabile - in a singing style  
con brio - with vigour, lively  
delicato - delicately  
legato - smoothly  
marziale - in a military style  
rubato - with some freedom of time (not always keeping to the pulse)

Match the musical terms with the songs played:

	adagio	
	allegro	
	amoroso	
PACK UP YOUR TROUBLES	animato	WE'LL MEET AGAIN
	canatibile	
WWI	con brio	WWII
