

YEAR 5/6~ OUR LEARNING SUMMER 2 WEEK 2

Y5 Another busy week for 5/6! In English, we have been looking at the Ancient Greek Olympics. We have been imagining we are a news reporter on the scene and creating scripts ready to use a Green Screen to bring these to life next week. Keep your eyes peeled for these!

In science, we have been continuing our project all about Living Things and their Habitats, focusing this week on classification. Using our research about different plants, we created our own classification keys.

In DT, we have been continuing to prepare for creating our spring rolls by doing some taste testing! Now we know what we might like to include in our final product!

News Report

Reporter: [walks on, then speaks] Good morning, coming & live from Olympia! Today, we are lucky enough to have 2 special guests coming to speak about their Olympic experience. Come on out! [waves hand]

Reporter: What are your names?

Athlete: My name is Charivika! Nice to meet you!

Spectator: And my name is Daniel.

Reporter: So! [claps hands] What sport did you compete in Charivika?

Charivika: Well... Thanks, for asking! I competed in Stadion Racing. It's such a good sport!

Reporter: And Daniel. How was it to watch Charivika compete in such a competitive sport?

Daniel: Amazing! They were so fast that if I blinked, I probably would have missed it!

Reporter: Wow! [she stifles a laugh] That's impressive. You must have trained for a long time. Aren't I right?

Charivika: I trained for a gruelling 4 years but it was all worth it since I won.

Daniel: Yes! It was spectacular! I can't believe it!

Reporter: Where did you come from to watch the games?

Daniel: I travelled to Olympia from Athens for this once-in-a-lifetime opportunity.

Reporter: Before you go, was there anything you could have done to improve?

Charivika: I know I did my best!

Athlete: This race is very special to me and my country. I am very proud that my country honours me and treats me to take their state glory.

Reporter: Wonderful... And which event are you playing.
