TURQUOISE ROOM OUR LEARNING
AUTUMN 1 WEEK 7

As we come to our final week of this half term, I wanted to take a minute to say just how proud we are of the children.
They have settled so beautifully and are a joy to teach every day.

This week our activities are based on autumn colours.

In our creative area we enjoy leaf printing. We use autumnal colours to press a leaf onto paper; we were amazed with the outcome. We also used our fingers to create leaves on a tree and experimented with conker rolling. Wow, what a busy week.

We continue to look at categorising sizes, this time we use leaves to talk about big, small and we introduce medium. We also look at colour matching. We use autumn pictures to see what we notice.

The highlight of our week was our autumn walk around the beautiful valley gardens.
We explore the valley gardens, noticing the seasonal changes. We did such a super job of staying with our adult and had so much fun. We absolutely love this trip, and we value your support greatly, a huge thank you again.

Have an awesome half term, make special memories as the years go by in a flash.
We look forward to welcoming you back on Monday 2nd November for another 7 weeks of fun, laughter and learning.
