

## GREEN ROOM OUR LEARNING SUMMER 2 WEEK 6

As we headed into our penultimate week in green room we turned our focus to the seaside.

Our chat times were filled with lovely conversations about our visits to the seaside and what we would need to take with us to have the best time, what we might do when we get there and most importantly what flavour ice cream is our favourite.

We enjoyed playing with bikes, scooters and balls in the big playground, really putting our gross motor skills to the test.

We had the best time in the role play area this week. The children noticed the change in the role play area as soon as they entered nursery in the morning. To our amazement it had been turned into an ice cream shop. There was also some super inflatable's in there too! We let our imaginations run wild and had so much fun.

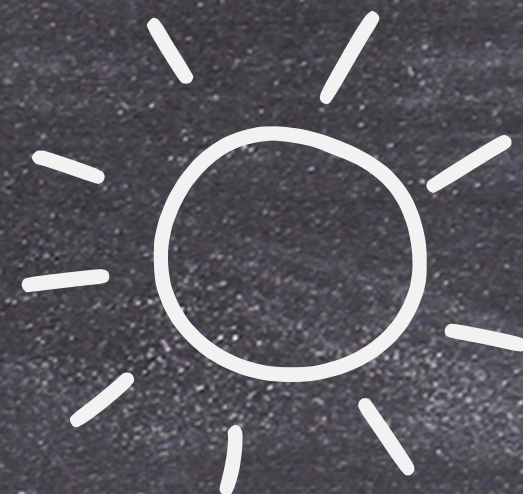

in our creative area we enjoyed using sand to make a beautiful beach scene picture as well as practicing our scissor skills to decorate a sandcastle.

We would like to take this opportunity to wish you all a magical and memory filled summer.

your children have been an absolute delight to teach this year; we have loved every moment we have been lucky enough to spend with them. Thank you for all your support and kind words, it means a lot.
