

YEAR 3/4~ OUR LEARNING AUTUMN 1 WEEK 8

Black History Month

This week in school we have been celebrating BHM. As well as displays around school, the children have been hearing stories, learning about famous black people and about significant events such as the arrival of the ship the Empire Windrush.

Y34 Art Exhibition

On Tuesday after school, we welcomed friends and family in to be wowed by our art inspired by the Yorkshire born artist David Hockney. Our pupils sketched, used acrylics and the iPad to create many works of art. Here's what some of pupils said...

"I preferred my acrylic picture as it felt like all my own work!" Agastya

"I liked the iPad version the best as there were lots of tools for blending!" Phoebe
