

## PURPLE ROOM OUR LEARNING SPRING 2 WEEK 6

Welcome back. We hope you had a restful Easter holiday. We have enjoyed hearing about all your adventures.

The week before the Easter holidays, we enjoyed lots of Easter and Spring activities. We made a garden, slotting the pieces together and adding flowers to the grass. The children have also been threading eggs with ribbons, using their funky fingers.

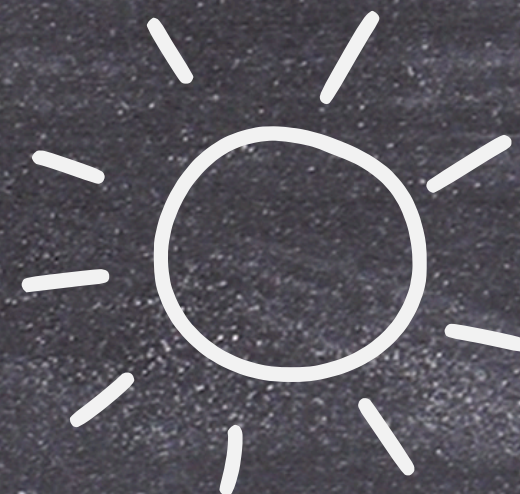

We have been looking closely at animals and matching the mummy with the baby. e.g. sheep and lambs. The children recognised lots of the Mummy animal names but were surprised with some of the baby names. We learnt that a rabbit's baby is called a kitten! We then made some Pom Pom sheep, threading the white wool round and round. We also made egg box rabbits. The children concentrated really well and were really happy with the artwork they had created.

The sun had been shining again and we have loved more water play outside. The children are really good at problem solving and working together as a team. We realised we needed to create a ramp for the water to flow down and a bucket to catch the water at the end so that we weren't wasting the water.

Wednesday was a very exciting day. Tatty the Guinea pig turned 1 years old. To celebrate we planned a party. The children wanted to play popular party games like pass-the-parcel, musical statues, musical chairs and duck-duck-goose. We also enjoyed lots of dancing and learnt the Macarena. We are sure Tatty has had a wonderful birthday and is looking forward to a holiday at Lily and Alfie's house.

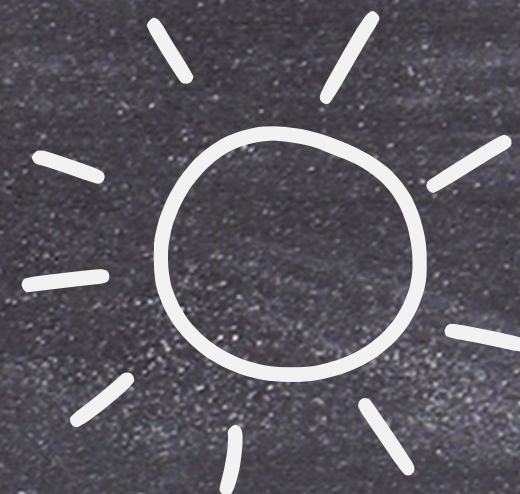

On Friday we enjoyed our Easter Bonnet parade. The children showcased their bonnets around the playground and performed some Easter songs for our loved ones. What a lovely way to end the term.
