

YEAR ONE~ OUR LEARNING SUMMER 2 WEEK 5

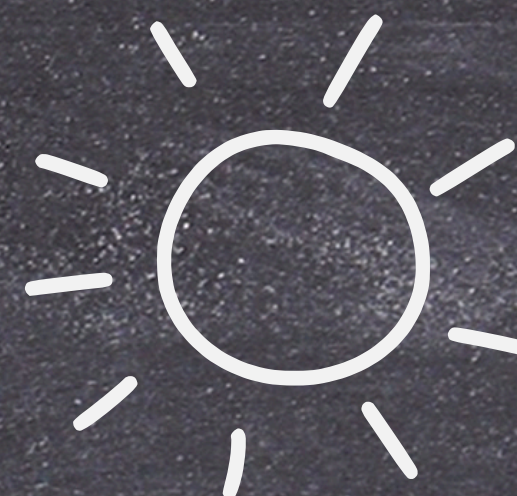

Year 1 had another fantastic week! We wrapped up our elephant non-chronological reports, showcasing some remarkable facts about these gentle giants. In maths, we kicked off our unit on time, starting with the language of time and sequencing our morning routines before exploring the days of the week and months of the year.

In art, we used the animal print tiles we created in a previous lesson to make mono-prints, layering them over a colourful tissue paper background. The results were truly creative!

We also enjoyed a morning of stop-motion animation, working in teams to storyboard Handa's Surprise. After crafting our props and characters, we learnt how to use the stop-motion app, carefully moving our creations and keeping our hands out of the frame.

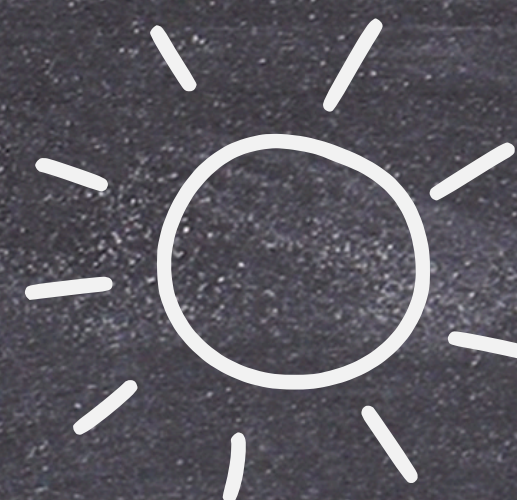

Finally, on Thursday, we performed not one, but two showcases! With minimal rehearsal, the children truly wowed us all. Everyone left beaming with pride!
