

YEAR ONE~ OUR LEARNING AUTUMN 1 WEEK 2

What a wonderful week we have had! The children have settled into Year 1 like absolute superstars. It's been marvellous to see how quickly they've embraced new routines and procedures, all while wearing huge smiles.

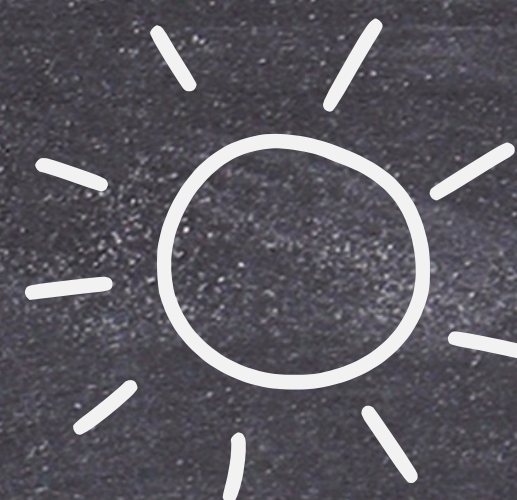

This week, we delved into a selection of exciting stories centred around emotions. The children were fantastic at creating sentences about the various characters, showcasing all they learned during their time in Reception.

In maths, we had lots of fun with counting activities, focusing on counting objects from larger groups and ensuring we form our numbers correctly.

PE was super-fast paced, with the children having a blast changing direction. They really tapped into their agility by using their hips to pivot quickly.

We are all excited about the wonderful year ahead, filled with exploration and learning.
