## Spring 1 USA Road Trip

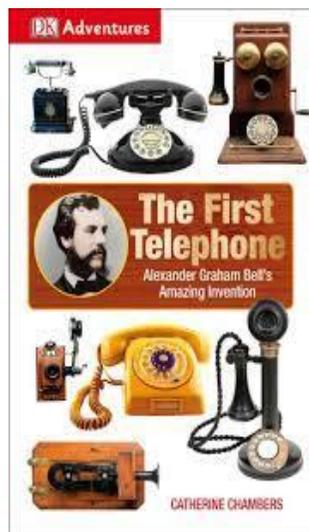

## Spring 2 British Inventors and Inventions

### Overview of the topics for the Spring term

**USA Road Trip:** In this topic, we will be answering the question: **Is the UK similar to the USA?** We will begin our tour by looking at where the USA is in relation to the UK. We will cross states, looking at cities, landscapes, national parks, natural phenomena and diversity. We will be using Google Earth, on our adventure. We will particularly focus on The Grand Canyon by producing some artwork and an adventure story.

**British Inventors and Inventions:** This engaging topic will introduce children to some well-known and not so well-known British inventors. We will visit the science museum in Bradford, to kick start our topic. We will be investigating the telephone, the development of the World Wide Web, concrete and the Mackintosh. The children will reflect on how these inventions have impacted our lives. They will go on to design their own inventions. We will be answering the question: **Which British inventions have most changed the world?**

### Costings for this term

- Reminder - Year 4 parents Bewerley Park, £250 in April.
- Eureka trip Halifax approx. £10.00 June.

Western  
Years 3 and 4  
SUCCESS IS IN THE AIR

### iPads

Please could you make sure that the children bring their iPads into school every day, fully charged and cleaned.  
Thanks!

### PE Days

All of the children will have PE on a Tuesday and Thursday.

### Water Bottles

Please could you send your child with a clean water bottle and a healthy snack daily!  
(No crisps or chocolate bars please and nut free!)
