PGCE SECONDARY

Dear Parent / Carer,

If your child enjoys Art, being creative and exploring materials, the next round of Art workshops starting after Easter, after school, might be something they are interested in.

Janine Bates runs The Art Room, Harrogate. She is a Secondary school Art Teacher with 19 years experience working with pupils aged between 11 to 18 and now tutors all ages.

Since January, the workshops have proved popular with Y5 and 6 with lots of brilliant outcomes! We are now excited to be offering workshops to Year 3 and 4.

The workshops designed to help pupils learn new skills and make work they are really proud of. No specific level of skill is required...just enthusiasm! Pupils will be guided throughout, with differentiated methods of teaching to fully support or stretch a range of abilities while enjoying themselves.

Pupils will be working with different kinds of paint, learning how to work with brushes to achieve new techniques, developing drawing skills and working with collage too. Your child will bring home watercolour paintings, acrylic studies and mixed media on canvas. Everything is geared towards pupils feeling a great sense of achievement and having fun while making and creating!

The cost of the 6 week course is £49 (£8.16 per session) which includes all the materials and the work your child will bring home.

The workshops will run every Thursday from 24th April until 5th June (which is the first Thursday after half term) 2025.

If you would like to book your child onto the course, please email Janine at the following address to express your interest at:
theartroomharrogate@gmail.com

In your email please include
Subject: Western Thursday Art Workshops
Include : Your child's name

There are 10 places available.

Once you have expressed interest, you will receive an email to confirm your child's place, after which you may make your payment using the details emailed to you.

We can't wait and are looking forward to lots of artistic exploration and brilliant, creative outcomes!
